SYSTEMATIC WAR ON GOPHERS PLAN OF MASS MEETING

CIRCULAR TO BE ISSUED IN WHICH CAMPAIGN METHODS WILL BE EXPLAINED

Extent and variety of damage done by gophers provided the absorbing topic for 100 citizens' discussion at the city hall last night. L. W. Dickerson presided and City Forester F. A. Marek was the principal speaker, first explaining the damage done by the rodents and then stating that there are three ways to rid them of the pest. Methods to be used in destroying gophers follow:

- 1—Poison. Ant paste, poisoned grain or fruit or bait will do the work, according to those present.
- 2—Trapping. The old fashioned box trap, the spring trap and the steel jaw trap have all been used with varying degrees of success.
- 3—Encouraging natural enemies. Cats and gopher snakes were the only two mentioned.

On motion of J. N. McGillis the mass meeting passed a resolution asking the budget committee to include not more than \$2000 in next year's municipal appropriations for war on gophers.

It also was the consensus of the meeting that a circular be issued by the city explaining how residents may carry on the drive until the new charter is effective under which City Manager T. W. Watson believes it will be possible to destroy both weeds and gophers on vacant lots and charge the work to the property owners.

In explaining the enormity of the situation which exists in Glendale, and all of the southwest, in fact, Mr. Marek declared that gopher runs undermine the city, that the pests destroy the fruit trees and ruin the

Mr. and Mrs. Raymond Are Hosts At Whist

Mr. and Mrs. Percy M. Raymond, 546 North Kenwood avenue, Glendale, gave a very delightful evening of entertainment last Saturday to about fifty of their friends and members of the Ladies' Auxiliary Brotherhood Locomotive Engineers. Mrs. Raymond was assisted by Mrs. Edward G. Warren, also of Glendale. The pretty bungalow home of the Raymonds presented a fairytale appearance with its elaborate decorations of asparagus fern and pink roses. There were twelve tables of progressive whist and at the conclusion of the games prizes were awarded and dainty refreshments served.

Quartet Of Anglers Get Mountain Trout

A tired quartet of young fellows, composed of Earl Kingsley, Roy Sealover, Eustice Rowley and Don Cowlin were the ones who limped into Glendale late last night after a two-days fishing trip to Big Tejuanga canyon. The ambitious anglers left Glendale Saturday night and arrived at the falls at the far end of the canyon by Sunday morning. They report fair luck, each bringing home strings of the wily mountain trout.

City Trustees Meet; Pass April Payroll

"All we do is sign the payroll." That's the chorus of an old army song which the City Board of Trustees could have sung last night at their adjourned meeting. For that was all they actually did—sign the payroll in order that the city employees be paid for their April work. However, they did discuss several other things informally and Fire Chief A. H. Lankford and City Attorney Hartley Shaw were present.

Robert Rowley Guest At Dinner In L. A.

Robert Rowley of 334 West Vine street was the Sunday dinner host of Paul Johnson of Los Angeles. These two young men are former grammar school chums, having been neighbors in Sunland a number of years ago.

Mrs. Esther Bradley Is Hostess To Chum

Miss Gladys Hitchcock of Los Angeles was the guest Monday of Mrs. Esther Bradley of West Broadway. These two young ladies are former normal school chums, Miss Hitchcock having known Mrs. Bradley when the latter was Miss Esther Schremp.

PLANS FOR MILITARY TOURNEY IN SAN FERNANDO VALLEY TOLD

Local Delegation Is Present at Luncheon Held in Los Angeles to Talk Over Proposed Event

City Manager T. W. Watson, Mayor Dwight W. Stevenson, Commander E. O. Kiefer of the American Legion, Secretary James M. Rhoades and A. R. Eastman and L. T. Rowley, representing the Chamber of Commerce, Captain Thomas D. Watson of the Fifth Separate Company, National Guards, were among those present at a luncheon given at the Clark hotel yesterday noon when plans for a military tourney in the San Fernando valley between Glendale and Burbank on July 2, 3 and 4 were discussed.

The purpose of this program, according to national guard officers from Burbank and Glendale, is to build armories for these cities. However, the expected recognition of Los Angeles toward the idea was not as enthusiastic as expected and the local delegation was unable to present any definite plans. It is understood that there is to be another luncheon at the White Inn here Saturday at which time Captain Raymond Wells of Burbank will be given further opportunity to outline a project, which according to its promoters, is to attract a quarter of a million people to the tournament grounds which Captain Wells would have located in the vicinity of Burbank.

According to the latter 10,000 guardsmen and troops, army airplanes, star athletes and ministers all will have a part in the program.

BROADWAY KINDERGARTEN PUPILS SURPRISED WITH BIRTHDAY PARTY

Yesterday morning the members of the kindergarten of the Broadway Grammar school were pleasantly surprised when Mrs. Martin Sunkes of 1138 East Elk avenue entertained them in honor of her small son, Raymond, whose fifth birthday was being celebrated. Altogether there were twenty-four happy youngsters who took part in the occasion, each one seeming to enjoy it more than his chum. The party took place in the kindergarten room of the school building and lasted about two hours. An attractive and beautiful miniature May pole occupied the center of the large table, with dainty red and white streamers extending alternately to each of the twenty-four places. Refreshments consisted of cake frosted with pink icing and strawberry ice-cream. Also at each place there was a small basket of candy which, needless to say, were soon missing from the rest of the decorations. After the refreshments had been served the tiny guests amused themselves by playing several of their school games and ending the party by singing a birthday song in honor of their little classmate. Mrs. Sunkes was most ably assisted throughout the merrymaking by Mrs. Thomas Miller of East Colorado boulevard.

EAGLE SCOUT CLUB, ONE OF FEW IN UNITED STATES, HOLDS SESSION

The Eagle Scout club of troop No. 2 Glendale was entertained at the home of their scoutmaster, Benjamin Robison, Sr., 497 North Louise street. The Council of Braves was called to order by Big Chief Eagle H. Benjamin Robison, Jr. Among the things considered at the business meeting were the selection of an appropriate name, oath and ceremonies for various occasions. The name chosen was The Tribe of Ho-Wah-Kaus. After the ceremonial dance delicious ice-cream and cake was served by the host and hostess and all had a jolly good time. The club is one of a very few in the United States and is the only one of its kind, following out the old Indian customs. It is strictly an Indian club and only Eagle Scouts can become members.

MR. AND MRS. P. J. WESSELS, FORMER RESIDENTS, VISIT RELATIVES HERE

Mr. and Mrs. P. J. Wessels of Beaumont are spending a few days at the home of Mrs. Wessels' parents, Mr. and Mrs. H. J. Eggers of 322 North Isabel street. The Wessels own and operate an extensive fruit ranch near the above mentioned agricultural center, growing apples, pears, peaches and cherries in large amounts. The Wessels are well known to many Glendale citizens, having lived here for several years prior to 1919. Before moving to Beaumont two years ago Mr. Wessels was book-keeper and assistant buyer at the Glendale Sanitarium, while Mrs. Wessels was cashier at the same institution.

SCHOOLMATES OF FIFTY-FIVE YEARS AGO ENJOY REUNION IN GLENDALE

Mr. and Mrs. Walter Denning of 314 Mira Loma street have entertained for the past week the Misses Emiline and Charlotte Ammerman of Onarga, Illinois. Both Mr. and Mrs. Denning were schoolmates of the Misses Ammerman in the little Illinois town fifty-five years ago, and the quartet enjoyed many old stories on each other during the brief reunion. Since coming to southern California the Misses Ammerman have become so infatuated with its charms that they have decided to remain here permanently. Last week they wired to the old home town and directed that their property be sold immediately.

MR. AND MRS. EARL BOWERS RETURN FROM 4000-MILE HONEYMOON TRIP

Mr. Earl Bowers, formerly Miss Violet Leash of 339 West Vine street, spent Sunday with her parents at the old home. Mrs. Bowers was married on March 15, she and her husband promptly leaving on their honeymoon trip to Seattle, Washington. The journey was made via automobile, the entire 4000 miles being traversed without a mishap. The newlyweds have purchased a beautiful new bungalow on Heliotrope Drive in Hollywood, and will move into it immediately. Mr. Bowers is an employee of the Western Electric company of Los Angeles.

SOUTHERN CALIFORNIA BRIGHT SPOT OF PROSPERITY, SAYS BUSINESS MAN

J. L. Hamilton, manager of the western branch of the Casey-Hedges company of Chattanooga, Tenn., was a visitor at the Glendale Chamber of Commerce headquarters yesterday and reported that the immediate vicinity of Los Angeles is now enjoying great prosperity while business is not so good in other parts of the country. North of San Francisco, according to Mr. Hamilton, the quiet market shows that trade is not normal. East of California the same condition exists. But in southern California and the San Joaquin valley everything picks up.

BROAD CURVE ROAD FOR W. BROADWAY IS SUGGESTED

REPORT OF COMMITTEE MADE TO C. OF C. DIRECTORS; ARRANGE FOR FORUM

Miss Elizabeth B. Vermilye will be the principal speaker before the noon-day forum luncheon of the Glendale Chamber of Commerce on Thursday at the Masonic Temple. In order to swell the attendance at these affairs Secretary James M. Rhoades today presented to the board of directors at their luncheon in the Domestic Arts model bungalow of the Glendale Union High school a proposition of selling tickets in advance, thus assuring a definite number of diners.

Other matters coming before the board this noon was the report of the secretary that he had employed A. R. Chappell as membership secretary who already is on the job, having secured two new members, T. K. Brown and G. W. Biggins.

Broadway Curve Desired

The report of the committee on public utilities, railroads and highways recommending the continuation of Broadway at Central so as to eliminate the present jog was read and it will be laid before the city trustees for action, with the committee's request that the improvement be made as soon as possible. It is understood that a broad, sweeping curve is desired on Broadway at Central avenue.

Secretary Rhoades reported on his trip to Catalina with forty other commercial secretaries from southern California points. On Saturday, he stated, they discussed the problems to be met in California, especially that of building better cities instead of greater.

Next Meeting on June 2

On Sunday services at one of the Avalon churches was followed by a trip on the glass bottom boats to the marine gardens and in the afternoon the party returned to the mainland on the Santa Catalina Island steamer Avalon. The next meeting will be held June 2 at San Bernardino.

R. D. White, director of the Chamber of Commerce, presided at the luncheon today in the absence of C. C. Cooper, Jesse Smith and V. M. Hollister. Viola Andrews, Dorothy Tanner, Eleanor Foster of Miss Ellen J. Hanson's cooking classes prepared the following menu: Cold roast beef, potatoes au gratin, combination salad, rolls, butter, relish, pear pickles, Alaskan combination, nut cake, coffee and cream.

The decorations included a May pole with dolls dancing on the village green and a rose boutonniere was laid at each place.

Lose Your Pants? Pair Found; Look On Liner Page To Learn Details

Who lost their pants? And how? Those are the questions everyone will ask when they read the following classified advertisement in The Glendale Evening News tonight:

FOUND—Friday, a pair of trousers on Wilson avenue. Can have same by calling, etc.

If you lost yours look at the liners for the address.

Gets Goat First Time

"The kid is gone and its mother, too."

Joe Pagliuso, foreman of the Ross ranch in the northern part of Glendale, reports that someone stole a valuable goat and its offspring last night.

And he wants it back, because it's a fresh Nanny.

"This is the first time in my experience that anyone has gotten my goat," said Mr. Pagliuso to a representative of The Glendale Evening News this morning.

Local People Return From Fishing Journey

Mr. and Mrs. Blake Franklin of 393 West Wilson avenue and Mr. and Mrs. Price Holmes of Monrovia, who were members of a fishing party at Big Bear, returned home last evening. The remainder of the party, which included Mr. and Mrs. A. L. Baird and their house guests, Mr. and Mrs. McMillip, Mr. and Mrs. Herman Nelson, Mr. and Mrs. Max Green, Mr. and Mrs. George Lyons, Miss Margaret Cross, Mr. and Mrs. Harry Hall of Hollywood, Mr. and Mrs. Joe Bright and Dr. and Mrs. T. C. Young, are reuniting today. Mr. and Mrs. Franklin state that the members of the party are having splendid luck fishing.

Today's World News In Brief

(By United Press to Glendale Evening News)

WILLIAM M. STEWART NOMINATED DIRECTOR OF CENSUS
WASHINGTON, May 3.—President today sent the following nomination to the senate: William M. Stewart, Michigan, to be director of the census.

SET RICE FIELDS ON FIRE AS RESULT OF LOW PRICES
SYCAMORE, May 3.—Owners of big rice fields west of here have set their fields afire. They declare the present price of rice does not justify the expense of harvesting the crop.

FINANCIER'S ESTATE ROBBED OF \$20,000 WORTH LIQUOR
OAKLAND, May 3.—The San Leandro estate of I. W. Helman, Jr., prominent financier, was robbed last night of wines and liquors valued at \$20,000 according to reports to the sheriff's office here.

REAPPORTIONMENT AT SPECIAL SESSION LEGISLATURE
SACRAMENTO, May 3.—A special session of the legislature to decide the reapportionment of legislative districts of the state will be called, it was announced last night by Governor W. D. Stephens. The date on which the session will be called was not announced, it being dependent on congressional reapportionment in Washington, the governor stated.

UNITED STATES INVITED TO TAKE PART IN COUNCILS
LONDON, May 3.—The allied supreme council today approved the draft of a message to the United States inviting that country to participate in meetings of the council, the reparations commission and the conference of allied ambassadors, it was learned from a French source of information.

SEATTLE PORT TO BE SCENE OF TEST OF MARINE STRIKE
SEATTLE, May 3.—First test of the marine strike induced by the shipping board's new wage scale, will come locally tonight at 9 o'clock when the steamship City of Seattle, operated by the Pacific Steamship company is scheduled to sail for Alaska. Officials of the company declared that should the crew of the vessel refuse to sign at the new scale their places would be filled without difficulty.

STEAMER BURNS AT SEA; ONE LIFE LOST, IS REPORTED
ASTORIA, Ore., May 3.—The Japanese steamer Tokuyo Maru, Portland for the Orient, burned at sea sixty miles out from the Columbia river early last night. One life was lost. Eight persons are missing. Twenty-seven were taken into Seattle this morning in the hospital ward of the United States army transport Buford. Sixty-five in all were rescued by the Buford, which arrived at the scene of the fire within thirty minutes after she had picked up the SOS call.

FEDERAL TAXES CAN'T BE DETERMINED TILL LATE FALL
WASHINGTON, May 3.—Business men will not know until the latter part of this year what their federal taxes for 1921 will be. Although this uncertainty is one of the factors of the business depression, it was definitely determined today that notwithstanding Secretary of the Treasury Mellon's letter, congress will adhere to its "tariff first" program with taxation revision to follow. Representative Nicholas Longworth, Ohio, Republican leader of the movement to reform taxes first, in order to speed business stabilization, admitted that he had lost.

MILLIONS ARE BEING LOST DAILY BY LABOR TROUBLES
WASHINGTON, May 3.—Strikes and lockouts are now costing workers nearly \$1,000,000 daily in wages lost, it was estimated here today on the basis of reports to the labor department which indicate that at least 100,000 men and women are unwilling to work pending the regular May negotiations with their employers over new wage scales. Employers' losses were placed at approximately four times those of workers. Secretary of Labor Davis and his twenty mediators on duty in big cities are working day and night in an effort to save industry approximately \$5,000,000 a day.

OIL STOCKS LEADERS WHEN N. Y. MARKET IS OPENED
NEW YORK, May 3.—Oil stocks were market leaders when the stock exchange opened today. The buying which developed yesterday on denial of reports that the Mexican supply was endangered, continued today. Mexican Petroleum was up 1/4 at 149 1/2 and quickly ran up to 150 1/2. Cuden sold between 39 1/2 and 41. General Asphalt sold at a new high since being listed on the exchange, going to 75 after opening up 5-8 at 74. Steels and equipments were strong. Studebaker was sold at the opening, traders laying it to the emphasis with which motor interests denied the possibility of a merger involving Durant Motors.

GERMANY MAY BE FORCED TO YIELD COMPLETELY
WASHINGTON, May 3.—Germany will be forced to yield completely to the allied demands for reparations and probably will pay as a subject nation, it was believed here today, as the result of Secretary of State Hughes' action in withdrawing the United States from an active part in the reparations crisis. As Marshal Foch is preparing the French armies for an advance into the rich Ruhr region of Germany if that country again refuses to yield, and the allied supreme council is making ready to dispatch an ultimatum to Berlin demanding payment of 132,000,000,000 gold marks and a 20 per cent tax on her exports, Hughes' latest note to the German government will be delivered today to Foreign Minister Simons.

SEEK TO QUASH INDICTMENTS AGAINST 226 MINE HEADS
INDIANAPOLIS, May 3.—Attorneys for 226 coal mine operators, officials of the United Mine Workers and coal dealers appeared in federal district court here today and filed a motion to quash the indictments which charge the defendants with violating the Sherman anti-trust law and conspiracy to violate the Sherman act. The motion was filed when the defendants were arraigned before Judge Ferdinand Geiger of Milwaukee, sitting during the illness of Judge A. B. Anderson. Court adjourned until 2 p. m. to give District Attorney Frederick Van Nuys and L. Slack, special assistant attorney general, time to check over the list of defendants and see if all were represented at the arraignment.

LOCAL HIGH SCHOOL WINS SECOND IN BIG CONTEST

GLENDALE GIVEN HIGH HONORS IN POSTER TOURNEY IN NATION-WIDE RIVALRY

Signal honors have been won by the Glendale Union High School Art department of which Miss M. Irene Muller is head, according to the following telegram which was received today by Principal George U. Moyse from Dr. Jessie A. Russell who is now in Washington, D. C.:

"Prizes in the nation-wide poster contest held under the auspices of the National Congress of Mothers' and Parent-Teacher associations awarded at their convention here follow: High schools—Oakland first; Glendale second; grammar schools—Hollister, Calif., first; Roswell, N. M., second. Congratulations. Many laudatory comments for Glendale exhibitors."

Miss Muller has no information as to whose poster won the prize although she believes that it was either Claire Robinson or Ralph Van Hoorebeke whose entries were selected from among fourteen at the local P-T-A. contest in which Beatrice Bacon, Beatrice Bolen, Villa Bottsford, Agnes Caldwell, Eunice Caldwell, Orrell Hester, Louise Holtenbeck, Bernice Huskins, Eleanor Sawyer, Ruth Waterman, Grace Yarbrough and Chester Vossbrink also were entered.

FAVOR INDEPENDENT POSTOFFICE FOR LOCAL PUBLIC

C. OF C. COMMITTEE DECIDES PETITION BE CIRCULATED URGING ESTABLISHMENT

Last evening the postoffice committee of the Glendale Chamber of Commerce met in the office of Dr. Henry R. Harrower, chairman, and took up the matter of the establishment of an independent postoffice here in this city. There were present the following members of the committee:

Dr. Henry R. Harrower, chairman, A. T. Cowan, Thomas D. Watson, A. R. Eastman and James Howarth. The latter was elected permanent secretary of the committee. W. E. Evans, recently city attorney of the city of Glendale, and an intimate friend of Congressman Walter Lineberger, gave his impressions and advice.

Dr. Harrower announced the results of a postcard canvass of 250 of the prominent business men and women in Glendale, which asked for their attitude in the matter, whether they were in favor of or opposed to the establishment of an independent postoffice and also their reasons.

One hundred and nineteen of these cards were returned, seventy-five of which indicated that they were in favor of an independent office because of the need for better service. Twenty indicated that the growth of the city made it imperative. Eleven wanted an independent office in order that the city of Glendale might be listed in the Postal Guide. Six spoke of the civic pride which demanded a postoffice and a federal building for a city of this size, and five called attention to the fact that a postmaster in Glendale would place someone in authority to whom complaints could be made and also the needs and the service would be improved by someone directly in charge instead of by an officer in a remote city.

Three Are Opposed

Only three were opposed and no reasons were given except that one thought we need a sewer system worse than a post office.

The chairman stated he had made a very careful canvass of the situation by both visits and letters, and outlined the possible advantages as well as any prospective disadvantages. Without a doubt the principal reason for the need of a post office in Glendale is that civic position demands it and that there will be more likelihood of our having a federal building in Glendale in the course of time if there is an independent office here as, of course, there would be no chance of such an improvement to house a more or less insignificant branch of the Los Angeles post office.

It was pointed out that the prospects of securing an appropriation for a site and later for a federal building are not good at present, but it was also remarked that if it was going to take ten years to accomplish

Mrs. Ida Harris was the Sunday
dinner guest of Mr. and Mrs. E. K.
Harris, Jr., of 532 West Patterson
avenue.

Mr. and Mrs. Frank Booth and
children of Grand View avenue re-
turned last night from a three days'
trip to Big Bear.

Mr. and Mrs. Robert B. Carpenter
have moved from 443 Hawthorne
street into their new, cosy home at
508 Burchett street.

Miss Virginia Hunter of Los An-
geles was the dinner guest of Mr.
and Mrs. C. B. Guitard of 524 Pat-
terson avenue Sunday.

R. W. Norton of 216 East Wilson
avenue has purchased the Taylor
property at 561 Vine street and will
take possession Saturday.

Mr. and Mrs. Leonard Davis of
Sixth and Grand View avenue re-
turned yesterday from a three days' trout
fishing trip to Little Bear.

Mrs. Mary E. Furstenfeld of Van
Nuys is the guest for the week of
Miss Grace Osborn and E. L. Osborn
of 406 West Wilson avenue.

J. O. Jennings has been employed
as a salesman on the Jewel Electric
company's force at the newly-en-
larged store, 200-202 East Broad-
way.

J. F. Cullen is having a six-room
bungalow built at 600 North Mary-
land avenue. Mr. and Mrs. Cullen
are living in the garage until their
new home is completed.

The Mothers' Club Sewing Circle
of the Acacia avenue school will
meet Thursday afternoon at 2 o'clock
at the home of Mrs. E. W. Evans,
1214 South Mariposa street.

Mr. and Mrs. O. O. Clark of 346
North Louise street had as their Sun-
day guests Mr. and Mrs. Milton
Jones of Jeffersonville, Indiana, who
are visiting in Los Angeles.

Mrs. William Waeger of 610 East
Orange Grove avenue and Mrs. M. L.
Hock and Mrs. H. L. Hock of 612
East Orange Grove avenue were the
guests of Los Angeles friends Sun-
day.

Many Glendale followers of Izaak
Walton are now enjoying the trout
season which opened May 1 along lo-
cal streams. The San Gabriel river,
the Fork and the Upper Arroyo
Seco are attracting anglers.

Mrs. M. J. Brooks of 403 North
Louise street has as her guests Mrs.
C. F. Almsworth and Miss M. E. Jos-
lin, relatives from Vermont, who ar-
rived Saturday and will remain here
for the summer.

Charlotte Gregg of 408 North
Louise street had her bicycle stolen
from the Doran street school yester-
day afternoon, according to a report
filed with the police department by
Miss Hatch, principal of the school.

Every member of the American
Legion and all others interested in
the production of the minstrel show
for the benefit of the band are urged
to attend the rehearsal of the chorus
tonight at the American Legion club-
rooms.

Pearl W. Zopff, assistant secre-
tary of the Los Gatos Chamber of
Commerce, was a recent visitor at
the Glendale Chamber of Commerce
and was quite impressed with the ac-
tivity shown by the recently reorgani-
zed body here.

Mrs. C. B. Guthrie of 314 Pat-
terson avenue entertained a luncheon
party at La Ramada recently, con-
sisting of twenty members of a Los
Angeles club to which she belongs,
all of whom were former residents
of Des Moines.

Dr. V. H. Brink, accompanied by
his wife and mother, Rev. Henry
Goodsell and Dr. Julius R. Soper of
this city were among the many Meth-
odist ministers who attended a picnic
and meeting of the Los Angeles
County association at the Santa Mon-
ica pier yesterday.

Three birthdays were celebrated
at the home of Mr. and Mrs. J. H.
Orth, 153 South Central avenue,
Sunday, with a family dinner. The
honorees were J. W. Graham, father
of Mrs. Orth, Mrs. J. H. Orth and
daughter, Miss Marcella Orth, their
birthdays being Saturday, Sunday
and Monday. A number of guests
were received at their home during
the afternoon, after which a family
dinner was enjoyed.

Mr. and Mrs. A. P. McBoyle of
369 Milford street had as their over-
night guests recently Mr. and Mrs.
Eames of Sawtelle. The following
day a picnic party at Orange county
park, Santa Ana, was enjoyed. This
party also included Mr. and Mrs.
John Coram, who were also guests
for several days at the home of Mr.
and Mrs. McBoyle, and who have
now left for their home in Idaho
after spending the winter in Califor-
nia. They will return this fall.

W. P. MacMullin did not sail on
the Yale yesterday when that steam-
ship left on its initial trip from Los
Angeles harbor after service in the
world war. Mr. MacMullin was ill
for several days last week and did
not care to expose himself to the
voyage. Mr. and Mrs. MacMullin
made the trip on the Yale five years
ago. R. F. Cullen, 520 North Mary-
land, district passenger agent for the
Los Angeles Steamship company, was
in charge of the Yale's trip yester-
day.

SYSTEMATIC WAR ON GOPHERS PLAN OF MASS MEETING

CIRCULAR TO BE ISSUED IN
WHICH CAMPAIGN METHODS
WILL BE EXPLAINED

(Continued From Page 1.)

lawns while thousands of dollars are
spent for their destruction by indi-
viduals with no concerted program
for their complete elimination.

Advocates Systematic Campaign

Advocating the employment of a
diplomatic expert at poisoning the
pests, or several men if necessary,
Mr. Marek believed that a bait placed
in the main runways and the holes
covered, 90 per cent of the gophers
could be killed. While not disparag-
ing the use of traps, or cats, or indi-
viduals' efforts with poison, he be-
lieved that all of these combined
with a systematic campaign of poison-
ing would accomplish lifelong re-
sults.

Poison gas and drowning are two
methods which are failures, accord-
ing to the city forester, who stated
that the gopher runs extend for miles
and that the gas and water spent it-
self in the porous soil in this vicinity.
These methods might work elsewhere
but not here. The bounty system
also is not to be considered on ac-
count of the expense.

Several others spoke on the sub-
ject. Mrs. L. Miller of the Grand View
district advising the use of "gopher
scout." According to the story she
told, it is an ideal pest destroyer, in-
vented by a Burbank man.

J. N. McGillis summarized the sit-
uation when he said that destructive
legislation would be constructive leg-
islation in ridding the city of gophers.

LOCAL MUSIC CLUBS PRESENT REPORTS AT FEDERATION

TWENTY-NINE ORGANIZATIONS
RECEIVED IN MEMBERSHIP;
THIS CITY HONORED

The membership of the California
Federation of Music clubs was vir-
tually doubled at the executive ses-
sion of the third annual state con-
vention yesterday morning with
twenty-nine new organizations voted
in, making a total of sixty-one clubs
in the federation.

Mrs. Mattison B. Jones, first vice-
president of the federation and
chairman of its extension and junior
clubs committees, presented applica-
tions for membership. The clubs
included eighteen in Los Angeles
county, four in Orange county, three
in San Bernardino, two in San
Diego, one in Ventura and one in
Merced. Glendale was represented
by five and Los Angeles by six new
clubs.

Yesterday's session was taken up
with legislative work, including the
adoption of a resolution incorporat-
ing the federation and amending the
by-laws accordingly, and musical
events during the afternoon. A re-
ception to officers and delegates at
the Alexandria hotel was the main
social event of the day.

Glendale Figures Prominently

Reports for the six federated mu-
sic clubs of Glendale were given at
yesterday's session by the following:
Music Section of Tuesday Afternoon
club, Mrs. Charles L. Marlenee;
Glendale Music club, Mrs. Mattison
B. Jones; Juvenile Auxiliary of Glen-
dale Music club and Girls' Glee
club, Miss Gertrude Champlain;
Junior Auxiliary of Glendale Music
club, Mrs. Spencer Robinson; Madri-
gal club, Mrs. J. Ray. Glendale had
the largest representation of dele-
gates of any city at the sessions yester-
day.

The Music Section of the Tuesday
Afternoon club will meet at the
home of Mrs. Calvin Whiting, Fri-
day, May 13, instead of May 6, as
announced at the last meeting of
the Tuesday Afternoon club, the sec-
tion's regular meeting days being the
second and fourth Fridays of each
month. The program will be of
Russian music.

Verna Harrower Gives Party Upon Birthday

Mrs. Henry Harrower of 345
North Cedar St. entertained with a
lawn party yesterday in celebration
of her daughter Verna's twelfth
birthday anniversary. Games, award-
ing of prizes and refreshments were
enjoyed by the fifteen friends who
participated in the afternoon's enter-
tainment.

ENTERTAINED 75 FRIENDS
Harry M. Fowler of Los Angeles
and Honolulu streets, La Crescenta,
entertained over 75 friends from
Glendale, Los Angeles and vicinity,
at a party and dance at his residence
Saturday night. Music for dancing
was furnished by Henning's orches-
tra of Glendale.

GOPHER GOBS

If you drop a raisin in the—
No, not the near beer, but the
gopher hole, and you have a little
strychnine in the raisin, that's one
way to kill the pests, according to
one person at the testimonial of
gopher-getters at the city hall last
night.

Baldheaded and gray haired
men were in the majority at the
"anti-gopher" mass meeting
last night. There's a reason,
too. They have worked them-
selves sick, trying to exterminate
the rodents and they were glad
to hear the others' experiences.

Little Jack Horner who sat in the
corner eating a Christmas pie when
he stuck in his thumb and pulled out
a plum only showed one local man
how to catch gophers in their holes.
He stuck in his fist and gave it a
twist and said, "What a surprised
guy am I?" He actually caught one.

CITY FORESTER MAREK SUG-
GESTED THAT IF ALL OTHER
METHODS FAIL, A PERSON COULD
GO OUT TO THE MOUNTAINS, GET
A GOPHER SNAKE, PUT IN HIS
POCKET, BRING IT BACK TO
TOWN AND PUT IN THE GOPHER
HOLE. THE SNAKE WILL GET
THE GOPHER, BUT YOU'LL VERY
LIKELY NEVER SEE THE SNAKE
AGAIN.

Another man said cats were just
as good, but the gophers got the cats
that got the gophers. Filled up on
bones and fur they soon die, he said,
unless you take the time to mix some
milk with castor oil and give them a
good dose.

The Van Nuys city hall build-
ing has cracked as the result of
being undermined by gophers,
it was stated. These rodents
have burrowed under the Colo-
rado river, according to J. N. Mc-
Gillis. Many others told of
equally astounding feats by the
cave dwellers.

"I don't know whether it's the
preacher or the crowds," said one
speaker, "but since they have built
the tabernacle on the vacant lots near
my home at Harvard and Orange
streets all of the gophers have come
over to my place to stay until the
meetings are over, it would seem."

FAVOR INDEPENDENT POSTOFFICE FOR LOCAL PUBLIC

C. OF C. COMMITTEE DECIDES
PETITION BE CIRCULATED
URGING ESTABLISHMENT

(Continued From Page 1.)
This particular thing and we waited
for ten years to begin, would be
twenty years before we actually got
it. Mr. Evans very aptly stated that
"if Glendale is going to remain a city
with its own identity, we are certain-
ly entitled to a postoffice of our
own."

It seemed to be the consensus
of opinion of the business men that the
unsatisfactory service and the dif-
ficulty in securing a betterment
might be more likely if there were an
independent office with a local post-
master in charge who, being a citi-
zen of Glendale and interested in the
betterment of the city and also de-
sirous of holding his position, would
give personal attention to the criti-
cism and use a much greater amount
of effort and enthusiasm to accom-
plish the things necessary than is ap-
parently being done at present.

Number of Improvements
Dr. Harrower called attention to
his efforts both in Washington and
by correspondence to the various of-
ficers of the postal service. It seems
that a number of improvements have
been brought about in the last year
and it was stated that the same kind
of aggressive effort is more likely to
accomplish results here in Glendale
than talking.

After a comprehensive discussion
of all aspects of the matter, A. T.
Cowan made a motion that "it is the
sense of this meeting that we pro-
ceed at once to take steps to circulate
a petition to ask for the establishment
of an independent postoffice in Glen-
dale." This was seconded by A. R.
Eastman and unanimously carried.

It was then moved by A. R. East-
man that "We prepare a suitable pe-
tition and ask James Rhoades, sec-
retary of the Glendale Chamber of
Commerce to assist in its circulation
at the Forum, among the business
houses and in any other way pos-
sible." This was seconded and car-
ried.

After further discussion it was
moved by Mr. Cowan that "A brief
summary of the postoffice situation
be prepared for publication in the
Glendale papers for later reprinting
and use in securing the signatures
and acquiring a wider interest out-
side of Glendale in accomplishing this
matter." It was very evident from the spirit
of the meeting that the general opin-

BROOKLYN NATIONAL LEAGUE'S CHAMPS, BACK IN FORM

UNCLE ROBINSON'S HIRED MEN
PICK ON GIANTS; TAKE
WHOLE OF SERIES

By HENRY L. FARRELL
United Press Staff Correspondent
NEW YORK, May 3.—Return to form of the Brooklyn National league champions was the outstanding feature of the last week in the major leagues.

Uncle Wilbert Robinson's men picked on the Giants as a starter and took the entire series from McGraw's men. The Robins have won ten straight. The pitchers are working fine and the hitting of the club has been timely and effective.

George Gibson's Pittsburgh Pirates have won five in a row and are setting the pace. The sensational hitting of Tierney, rookie infielder, has played no small part in the rush of the club.

With his pitchers returning to form and with the club showing an epidemic of home run hitting John McGraw is getting the Giants settled.

Return of Eddie Rousch to the game will help the Cincinnati Reds. Inferior pitching is still keeping the St. Louis Cards away down in the cellar.

Fight for Top Place
Cleveland and Washington are having it all their own way in the American league in a little two-cornered fight for the top place.

Terrific hitting of the Indians is keeping the Indians at the top, even with unreliable work from the pitching corps.

Washington is hitting, running the bases and getting the very best from the pitchers.

Collapse of the pitching staff is making the Yankees look bad. The club is also being outplayed and out-gamed, losing game after game after getting away in the lead.

Detroit is playing a good brand of ball and is showing results of clever management from Ty Cobb. The St. Louis Browns continue to be the big disappointment of the circuit.

Watching Scoreboard

Yesterday's hero—Josh Billings, the Brown catcher, singled in the thirteenth inning and drove over the run that beat the Tigers, 7 to 6.

Pratt's double and a single by Hendryx beat the Yankees, 2 to 1, after Ruth had tied the score in the ninth with his sixth homer.

Long George Kelly poled out his seventh homer and a double, helping the Giants to beat the Braves, 8 to 1. Brooklyn made only five hits but three of them came in the ninth inning and the Phils were beaten, 4 to 3. It was the eleventh straight for Brooklyn.

Joe Dugan's home run and Perry's fine hurling helped the Athletics beat Washington, 6 to 1.

Martin's wildness and timely hitting by the Pirates cost the Cubs a game, 4 to 3.

Second Team To Play Battlers Of Burbank

This afternoon at 3:30 o'clock the second team of the Glendale high school will endeavor to annihilate the championship hopes of the "Yanigans" from the Burbank institution of higher learning. As it is the second squad that has to be depended upon to represent the school next year Coach Hayhurst is spending considerable time and energy toward forming a winning combination. This will be the "hope-to-be's" first appearance this year, and it is hoped that a large crowd will be on hand to root for them.

A London man placed a plum pudding in a tin box embedded in a sack of Hme. Tying a rope to it he lowered the sack ten feet below the surface of the Thames. When raised to the surface at the expiration of two hours the pudding was found to be cooked thoroughly. On contact with the water the lime slacked, causing sufficient heat to cook the pudding.

GARDEN PARTY, TEA GENOA, ILL., FRIENDS OF FORMER DAYS ATTEND OUTING

MR. AND MRS. W. LINDSAY GIVE BENEFIT AND ABOUT \$275 CLEARED FOR SOLDIERS

The success of the garden party and afternoon tea, which was given Sunday afternoon at the beautiful home of Mr. and Mrs. W. Lindsay of 142 Wabasso Way for the benefit of the disabled British soldiers in Los Angeles, was, indeed, very gratifying to those who had charge of the affair, the Daughters of the British Empire, as well as those who are interested in the cause. Close to \$275 was cleared.

The splendid program included numbers by several Glendale artists, among whom were Louise Dresser, Jack Gardner, Mrs. Hermada Lee, Mrs. Calvin Whiting, Malcolm Maccurda, many artists from Los Angeles and Mrs. Madeline Nelson of Minneapolis.

About 400 Persons Present
The program was in charge of George Cleveland of Verdugo Woodlands and the entire proceeds will be used for the benefit of the disabled British soldiers in Los Angeles.

The audience of 400 who attended the entertainment included many notables. The Daughters of the British Empire feel very grateful indeed both to the Fisher Variety store of Glendale for the use of the cups and saucers and to the Newport Land company for the use of benches and chairs at the entertainment and tea.

San Fernando Valley Walnut Growers' association held its annual meeting at its warehouse in Lankershim yesterday. The farm bureau had a representative present who explained the walnut department being established for the benefit of the nut growers.

Van Nuys Plant Increases Force
While a general depression is reported throughout the United States, the Robert Morton organ factory at Van Nuys reports that orders from all over the country has caused an increase in the number of that plant's employees. There are 103 skilled workmen on the payrolls now.

Watch Out! Speed Cop in Wait!
Motorists on the Ventura highway in western San Fernando valley are warned that there now is a motorcycle officer to tag the speeders. Those who would "open 'er up wide" are warned that the "speed cop" lies in wait just south of Van Nuys.

BOOKLETS TO BE ISSUED
At a meeting last night of the advertising committee of the Chamber of Commerce they ordered 5000 12-page booklets answering the many questions which are being asked about Glendale by information seekers.

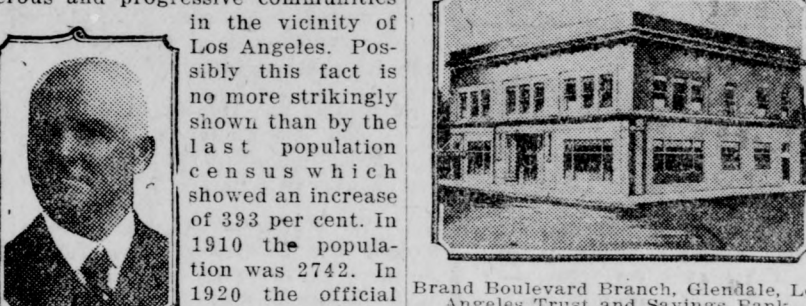

Chicago police will use wireless telephones in their war on crime. A wireless is being installed on the roof of the city hall for constant communication with fireboats, rifle squads, fire engine houses, patrol wagons and police stations. Officials hope ultimately to have every policeman equipped with receiving apparatus, weighing but a few ounces.

Only a few persons try to find the things that are good for them; many go after the things they want.

The World Today

By F. H. VESPER
Assistant Vice President, Glendale Branches,
Los Angeles Trust & Savings Bank

Glendale is one of the most prosperous and progressive communities in the vicinity of Los Angeles. Possibly this fact is no more strikingly shown than by the last population census which showed an increase of 393 per cent. In 1910 the population was 2742. In 1920 the official report of the United States census was 13,356. Since these returns, the city has grown steadily in every respect. Along with population growth there is a steady growth in building permits. In 1920 the total valuation in this respect was \$3,136,664.

Property Value Increase
In area Glendale is 11.7 square miles and beautifully laid out, with wide avenues, boulevards and streets. There are sixty miles of paved streets as compared with thirty miles unpaved. The assessed valuation of property in the last fiscal year was \$5,504,481. This fiscal year it is \$9,384,525. This is an increase of \$3,880,044. There are 5213 electric light connections; 4710 water connections, and 5200 gas connections.

Another healthy evidence in growth is enrollment in the schools. Early last year the enrollment in the grammar schools was 1952. In the same period this year the enrollment was 2507. There are sixty-eight teachers, eight supervisors and a principal in these schools. In the Glendale Union High School, there are, in addition to the principal, forty-two instructors and an enrollment of 863.

Has Good Car Service
Glendale is particularly fortunate in the matter of car service. Between Glendale and the following points, the number of trains each way per day are: Los Angeles, 60; Burbank, 25; Eagle Rock, 30; and La Crescenta, 19.

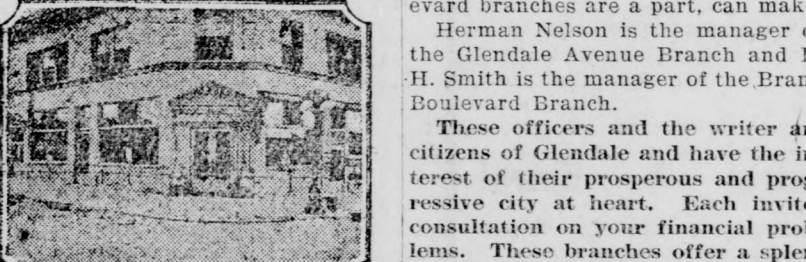

Not only has Glendale grown in the matter of car service. Between Glendale and the following points, the number of trains each way per day are: Los Angeles, 60; Burbank, 25; Eagle Rock, 30; and La Crescenta, 19.

Branch Bank Service
Glendale, therefore, through the fact that branch banks are component parts of their parent institution, is only limited by the size of the loans which the bank, of which the Glendale Avenue Branch and the Brand Boulevard Branches are a part, can make.

Herman Nelson is the manager of the Glendale Avenue Branch and D. H. Smith is the manager of the Brand Boulevard Branch. These officers and the writer are citizens of Glendale and have the interest of their prosperous and progressive city at heart. Each invites consultation on your financial problems. These branches offer a splendid departmental banking service to the merchant, the manufacturer and the individual.

CHILDREN'S POWERS OVER OLDER FOLK ARE EXPLAINED

LITTLE ONES HAVE STRONG
LEADERSHIP ON PARENTS
STATES EVANGELIST

Tuesday, 6:45 P. M.—Prayer
Meeting.
Tuesday, 7:30 P. M.—"Some
Excuses."
Wednesday, 10 A. M.—"Mod-
ern Religions, Mormonism,
Russellism, Eddyism."
Wednesday, 4 to 4:30 P. M.—
Children's Meeting.
Wednesday, 7:30 P. M.—"The
Champion Liar."

The Sunday afternoon meeting at
the tabernacle was a Sunday school
rally. The children were out in
large numbers and as Evangelist
John Brown arose to address them
he met the inspiring sight of a sea
of eager and attentive boys and
girls. He said:

"I am going to talk this afternoon
to all children under 110 years of
age. At Whittier I announced to all
under 100 years of age, and at the
close one of my listeners, a lady,
said: 'I feel hurt that you did not
include me; I am 102 years old.'
Jesus said: 'Except ye be converted
and become as little children ye can-
not enter the Kingdom of Heaven.'
When Jesus was here upon earth he
performed many wonderful deeds.
He opened the eyes of the blind, un-
stopped the ears of the deaf, made
the lame to leap for joy, and cured
the leper.

"But what was the greatest act of
his ministry? He raised the dead.
And how many instances do we have
of this miraculous power? Three are
mentioned. He raised to life the
little girl, the youth and the mature
man. These three persons repre-
sented three stages of life—child,
youth and grownup man. People
often ask the question, 'How early
can children come to Christ and en-
ter the church?' I would answer,
that with most children at the age
of 8 they can intelligently accept
Christ. But you will find that a
great many parents discourage these
desires in children instead of encour-
aging their little hearts, and as a
rule it is the inconsistent parent that
does so—do not want care of train-
ing the child in ways of Christ. But
parents should consider it as one of
their highest privileges as well as
duty.

Led By Little Children
"I had this privilege of presenting
my children to Jesus—of leading
them to Christ and into the church.
Even 'little sister' Frances Waunita
Brown. The child is the key to many
a home today, and many a father,
in some instances whole families have
been led to Christ by the little one
in the home. I have witnessed sev-
eral such inspiring sights in my
meetings.

"For every wayward boy or girl
there is a sad and sorrowing mother.
Did you read in the papers this last
week that during the last year 65,000
girls disappeared from our larger
cities, just as though the earth had
opened and swallowed them up?
There are sad mothers everywhere.
Erring boys and girls go in crowds.
Pick out clean companions.

"Jesus said: 'I say unto you, young
man, arise.' And this is the message
that he has for you today. Come and
take me by the hand and go into the
inquiry room."

Many children of all ages and their
parents responded.

Big Crowd at Evening Service
The evening service witnessed an
overflow audience. Not only were
the seats all filled but each of the
many door exits were filled by stand-

ing listeners. Following an inspir-
ing service of songs—the familiar
gospel songs that the large audience
heartily sang—Evangelist Brown
preached an impressive sermon from
these words found in Galatians: "Be
not deceived, God is not mocked; for
whatsoever a man soweth, that shall
he also reap."

"This text," the evangelist said,
"is one of the most familiar texts of
the entire Bible. People formerly

taught that there were two differ-
ent sets of laws that governed our
universe; one set for the natural and
one for the spiritual."

The service was very inspiring and
a large number came under the in-
spiration of the message.

Train Cats to Burn Buildings, Is Charge

NEW YORK—Stories of how cats
are taught to upset lamps, thus set-
ting fire to buildings, were related
here today by C. D. West, manager
of the investigation and prosecution
department of the National Associa-
tion of Credit Men, in detailing ex-
posures of schemes used by store-
keepers to gain insurance.

While investigating in Paterson,
N. J., recently, Mr. West said he be-
came interested in the disappearance
of several satchels used for trans-
porting animals. He traced the case
to Chester, Pa., where he found a
man who owned cats.

"The cats were being trained to
fight lamps and when their training
was completed they were sold for
\$250 each," West said. "So when a
man wanted a fire in his store all
that was necessary was to purchase
a trained cat, and leave it in his
store with a lighted lamp."

Start Campaign Over Needless Ornaments

LONDON—A "swat all needless or-
naments" campaign has been inau-
gurated by women's institutes
throughout England. Its sponsors
claim money, time, dusts and
maids' tempers will be saved and
neater, more tastefully decorated homes
will result.

An engineer and fireman on a
transcontinental train left their en-
gine recently to rescue from a burn-
ing farmhouse near Cochrane, On-
tario, an invalid mother and her son.
The boy jumped from the second
story into their arms.

William Hunter Buys Interest In Paint Co.

William Hunter of 1510 Margarita
street, South Glendale, who has been
selling paints and similar lines for
many years, has purchased F. J.
Kuntzner's interest in the Glendale
Paint & Paper company store, 119
South Brand boulevard, in which E.
S. Bliven also is a partner.

Messrs. Bliven and Hunter fore-
see a great demand for paints, wall
paper and similar supplies with this
coming summer's building activity
and they are preparing to meet the
demand.

For some time past Mr. Kuntzner
has been associated with a Los An-
geles paint concern, although residing
in Glendale and taking great interest
in its prosperity.

C. L. Brenkman Knows The News Ads Pay

C. L. Brenkman of 1510 South
San Fernando Road discovered
something worth while the other
day.

That's the efficacy of The Glendale
Evening News classified columns.

Having established a business in
South Glendale and intending to
make his home here, he wanted to
trade an Alhambra lot for building
property here.

Through the columns of The
Glendale Evening News he accom-
plished this transaction in a more
than satisfactory manner.

He is now a firm believer in the
fact that:

Advertising pays.

NEAR EAST RELIEF BUNDLE DAY FOR CITY PLANNED

DATE SET MAY 25 AND ALL
ASKED TO GIVE CLOTHES
FOR WAR'S VICTIMS

By REV. R. W. MOTTERN
Glendale Near East Relief Work
An old clothes campaign called
"Bundle Day," will be put on by the
Near East Relief on May 25. It will
be for one day only. You may not
be able to help with money, but you
can give some cast-off clothing,
found about the house as you clean
up in general this spring. Let the
Near East Relief, doing a tremendously big job in feeding and clothing
the destitute in Asia Minor by the
hundreds of thousands, place that
clothing around the thin, gaunt,
helpless, homeless widow and orphan.
How true the hands of a million
war victims are stretched out for
your gift.

Last year but 750 tons of clothing
was sent to Armenia, this year southern
California is asked for 2600 tons
because of the urgent need. The
supply is exhausted and the clothing
is worn out, given a year ago.

New and Greater Need
We are again confronted by a new
and greater need, men, women and
children are destitute as the following
cablegrams declare:

From Erivan—"Urgent need for
food and clothing."

From Constantinople—"Refugees
arriving . . . naked and destitute."

From Beirut—"A cargo of old
clothes welcome for refugees, American
relief is the only hope of thousands."

The Boy Scouts will be detailed in
every nook and corner of the United
States to be the collectors.

This word is sent out to Glendale
and vicinity, so as to give all ample
time to be ready for the boys when they
call at your home.

A relief ship is sailing from San
Pedro directly for Constantinople
early in June carrying tons of beans,
sugar, flour, cast-off clothing and
much other useful material. Let it
bear your gift of mercy.

'The Furnace' Is Palace Grand Picture Today

Folly, the giddy little actress and
London idol, was really joking when
she said she'd sue for breach of
promise if her millionaire fiancé
backed out at the last moment. But
that light remark was repeated to
him! And he believed it! He went
through the elaborate marriage
ceremony, the most gorgeous wedding
that London had seen in a decade.
But that night he told her that
he had done it as "a business
proposition," as he figured that it
was cheaper and less distasteful than
the publicity of a suit, but that she
was to be his wife in name only.

Poor little Folly! She really loved
him, and had hoped for great happiness
with him. To console herself,
and partly to annoy her husband,
Folly plunged into a very whirlwind
of reckless gaiety, while Anthony,
ever angry and suspicious, watched,
watched, watched.

Friends tried to patch up the
wretched misunderstanding. And
then the watching husband suspected
the friends! Scorching, searing,
blighting suspicion, that was what
made their marriage a veritable
furnace of unhappiness. But of course
pure gold comes out of the fire not
damaged, but purified and refined.

Don't miss "The Furnace." William
D. Taylor's big special for
Realart at the Palace Grand theatre
today only.

Mack Sennett's latest, "The Movie
Fan," is the comedy feature of the
bill while "Hungarian Comedy" is
the overture played by the orchestra.
Tomorrow Katherine MacDonald in
"My Lady's Latchkey" and "Torchy's
Big Lead" are the features.

Buy Gravel Bunkers; Plan \$10,000 Plant

A. H. Knowles and E. A. Mare,
both of Los Angeles, have purchased
the Beekman Woods gravel bunkers
on Judge Ross' property, and have
taken control. The plant will soon
be enlarged to double its capacity.
They have also made arrangements,
it is stated, to build another \$10,000
plant in the Wash near the new city
reservoir. Both Mr. Knowles and
Mr. Mare are experienced in this line
of business and own nine five-yard
sand trucks.

A farmer in Saskatchewan has
found clay deposits on his land from
which he has been manufacturing
firelighters on a small scale. The
lighter is in the form of a brick. If
soaked in kerosene a few minutes
and ignited the brick will burn for a
half hour with a steady flame and
when exhausted can be replenished
with kerosene and used indefinitely.

System And Use Of Evening News Liners Sure To Sell Realty

Real estate men who follow a
definite system in selling property
are bound to succeed.

One of the essentials in such
systems here is advertising in
the classified columns of The
Glendale Evening News.

On April 23 a house owned
by Alex Hansen on Hawthorne
street was listed by the Glendale
Realty company.

On April 26 after a personal
investigation by M. Gannon, a
salesman associated with that
agency, it was advertised in The
Glendale Evening News.

On April twenty-seventh in-
quiries were received from the
classified liner.

On April 28 the sale was
made through The Glendale
Evening News.

French Troops Resume March Toward Rhine

PARIS, May 3.—French troops
swept toward the Rhine today.

The fervor of 1914 was reawakened
as soldiers gathered everywhere
for transportation to the German
border under the new mobilization
orders, ready for a quick dash into
the Ruhr valley.

The class of 1919 was called up
and 130,000 troops were inducted
into the service. The only provinces
not contributing were the devastated
regions.

A force of mining engineers was
formed at Mayence. A division of
cavalry under General Simon will
meet them at Dusseldorf to escort
them into the Ruhr.

The armies of occupation are mobilizing
under the command of General
De Goutte, commanding the
Dusseldorf area.

France is prepared also for naval
action. In event Great Britain re-
fuses to make a demonstration off
Germany, the French Mediterranean
squadron will be dispatched to im-
portant ports.

Vice Admiral Sagot Duvuaroux
will command the French blockading
forces unless the British participate,
when one of their officers will be as-
signed command.

A naval mobilization order is ex-
pected to follow a conference in Lon-
don today between Admiral Grasset
and Premier Briand.

The Germans are believed to have
7500 soldiers in the Ruhr who prob-
ably will withdraw before a French
advance. A strong cavalry force will
be sent in with the engineers, how-
ever, in view of reports that German
mine owners are planning to provoke
labor troubles which they can charge
to the French. Cavalry officers were
prepared for clashes if the miners
carry out their alleged plans.

Marine Strike Will End Soon, Is Belief

NEW YORK, May 3.—Early set-
tlement of the marine strike and com-
plete victory was being claimed by
both sides here today.

Estimates of the number of men
and ships tied up as a result of the
walkout, which got under way Sunday
as a protest against a 15 per cent
wage reduction, were still conflicting.
The seamen declared that practically
the entire strength of the International
Seamen's union, 175,000, had
responded to the strike order. The
American steamship owners' association
contended that only a few hun-
dred were out. The best "neutral"
figures obtainable here were 3000
men for New York and 15,000 for
the entire Atlantic, gulf and Pacific
coasts.

The first real test was expected to
come today when three big steamers
were scheduled to sail. These were
the Sixaola of the United Fruit line
and the United States shipping board
vessels Old North State and Potomac,
operated by the United States Mail
Steamship company. The former was
reported to have shipped a full crew,
including "red ticket" men—aliens
who have taken out their first citi-
zenship papers and who were per-
mitted to serve on American ships
during the war by emergency legis-
lation. This brought a protest from
the union. A deck crew had been
provided for the Old North State but
she was still lacking an engine room
force.

The Potomac was without either
seamen or engine men.

The first vessel to sail with a crew
of strikebreakers was the standard
oil tanker Standard, which put to sea
last night for Mexico.

A proposal by Secretary Hoover
that the owners agree to arbitrate by
three private citizens was virtually
refused by them on the plea that in
effect they were more competent to
settle the dispute than outsiders.
The seamen did not receive Hoover's
suggestion.

Phonographs operated by com-
pressed air keep the throngs moving
in the underground tubes of London.
The instruments are equipped with
sound amplifiers. The records last
about a week and contain such mes-
sages as "Keep Moving, Please," and
"Pass to the Left."

Seeds from the chaulmoogra tree of

base of a treatment successfully used
in treating leprosy, have been re-
ceived in the Philippine Islands by

this purpose.

TRUTH ABOUT CHINA AND JAPAN TOLD IN THIS BOOK

B. L. PUTNAM WEALE CLAIMS
TO GIVE ALL OF FACTS;
LIBRARY RELEASES

Books released at the Glendale
public library last week were as fol-
lows:

"Indexing and Filing," by E. R.
Hudders, giving various methods of
indexing and filing in detail.

"William James and Henri Berg-
son," by Kallen. A study in con-
trasting theories of life.

"Justice to All," the story of the
Pennsylvania State Police, by Kath-
erine Mayo, with an introduction by
Theodore Roosevelt. A thrilling his-
tory of a most useful institution. Many
chapters in it are more aston-
ishing than any romance.

"The Truth About China and Ja-
pan," by B. L. Putnam Weale. Gives
full and authentic information about
the astounding relations between
Japan and China.

"The Song of Three Friends," by
John G. Neihardt. In this narrative
poem of the Upper Missouri River
the author tells a historical tale of
three trappers and boatmen. It
deals accurately with the great
American epic which developed in
the vast region between the Missouri
and the Pacific during the first four
decades of the nineteenth century.

'Hidden' Actors Ready To Rescue Young Couple

While the motion picture has done
much to eradicate the so-called "hid-
den character" with which the speak-
ing drama abounds, the silent drama
also has its unseen and unsung
heroes. In the filming of the great
finale or climax scenes of "Way
Down East," to be seen at the Glen-
dale theatre, Sunday and Monday,
May 8 and 9, Lillian Gish and Rich-
ard Barthelmess, as the lovers, are
alone seen on the screen amid the
swirling ice floes and crashing of
the river's surface. However, there
were more than two hundred "hid-
den" actors in the scene—men to be
on their guard and ready to go to
the rescue should genuine danger
threaten this capable pair of players.

Supreme Council To Decide Final Terms

LONDON, May 3.—The supreme
council went into session at 11:30
a. m. today to complete its final ul-
timum to the Germans.

The British believed Germany will
yield at last to the allied reparations
terms.

Premier Briand of France clung to
his hope that the allies will support
fully his planned invasion of German
soil.

Briand appeared agitated. Reports
from France were said to have been
that people were disappointed that he
had yielded to Lloyd George in con-
senting to delay invasion until an-
other note had been sent. He hoped
to return to Paris tonight and as-
sume personal charge of the military
preparations before he is called be-
fore the chamber for questioning.

Admiral Grasset of the French
navy arrived today and began con-
ferences with Earl Beatty and other
British naval officers regarding
naval plans. Grasset was supposed
to have unfolded the plans for send-
ing the Mediterranean fleet to Ger-
man ports if British sea fighters are
not ordered there.

Hold Expenditures Down, Warns Harding

WASHINGTON, May 3.—Presi-
dent Harding today notified all mem-
bers of his cabinet that they must
keep their expenditures within the
amount appropriated by congress for
their departments.

In a letter sent to each secretary,
Harding deplored the "dangerous
tendency" of government depart-
ments to exceed the amounts con-
gress had allowed them and then put
in requests for more money.

The letter was written by the pres-
ident following a letter he had re-
ceived from Senator Warren, Wyom-
ing, chairman of the senate appro-
priations committee, calling atten-
tion to the fact that requests for ex-
tra appropriations now before con-
gress totalled \$216,000,000.

The president's letter follows:
"I am in receipt of a letter from
Chairman Warren, of the senate
committee on appropriations calling
my attention to the fact that esti-
mates before congress call for ap-
proximately \$216,000,000 deficiency
appropriation and the estimated de-
ficiencies will run very much beyond
that sum. I do not know of any
more dangerous tendency in the ad-
ministration of government depart-
ments and I am very sure we can
never fix ourselves firmly on a basis
of economy until the departments
are conducted within the provisions
made by congress.

"I wish you would call this matter
to the attention of the various bu-
reau chiefs so that a like situation
will not be reported in the future."

RIVERSIDE IS TOLD CITY READY FOR C. E. SESSIONS

HOWARD L. BROWN INFORMS COUNTY, THROUGH CHEERO, GLENDAL E IS WAITING

Chalk up more advertising for Glendale.

Cheero, the official publication of the Christian Endeavor of Riverside county has a full page "spread" headed "Glendale—Without Fail." The article was written by Howard L. Brown, general chairman of the Glendale convention committee. The Evening News reproduces it, as follows:

"Well, Riverside folks, everything looks fine for Glendale, June 25 to 29. Glen and Dale have already bought their new togs, had their first chance to appear in public at the L. A. county convention at Whittier last week. They lead the parade through the convention auditorium, followed by a real brass band, and about one hundred lesser Glens and Dales, wearing over-size 'Sombros.' Two thousand convention delegates literally got up on their feet and whooped and unanimously expressed their intention of accepting Glen and Dale's invitation June 25 to 29.

"No Complaints to Make"

"Yes, it is three months away and many are wondering how we are getting along. Our reply at this date is that we are all ready but the auditorium and that will be finished in plenty of time, with a seating capacity of 4500. Yes, everything is going along fine. No complaints to make and very few worries. Some of the committee chairmen are so very much ready that they are worrying about their committees getting stale with the three months' wait. When you Riverside folks consider that Glendale has a population of but 16,500 you will realize it took a lot of courage and faith on our part to tackle this big job, but you know someone said once that the way to do a thing is to do it, so we are doing it with a capital 'D.' Do not think this is conceit, we are merely happy over the results, as we have a wonderful convention committee, a fine auditorium assured, and the necessary 'shakels' seem to be patiently waiting for our treasurer to 'gather it in.'"

"Plan NOW to go. It is not too early to arrange your vacation. The writer looks forward to personally seeing his many friends in Riverside county, whom he had the pleasure of co-operating with during the great 1917 Riverside state convention."

Supreme Test Of True Love Theme Of Film

The supreme test of true love is the subject of Clara Kimball Young's latest photoplay "Straight from Paris," whose author is Sada Cowan, a gifted writer rapidly coming to the forefront, and responsible for Miss Young's former production, "Hush." It is at the Glendale Theatre today and tomorrow.

As the plain, unartificial Lucette Grenier, French milliner, the role taken by Miss Young, we are introduced to a succession of throbbing circumstances that soon lead to the crisis of the story. In her unadorned beauty, Lucette cannot help attracting the attentions of aristocratic members of society. In the web of a romance which she cannot control, the shop-girl hides her identity for fear of the scorn that her wealthy admirers would shower upon her, once they learned that Lucette was not of their own set, but an ordinary working-girl. The inevitable discovery is made, and here "Straight from Paris" reaches its climax. Shall wealth and social standing be the criterion of marriage? Is it what the girl has, or what the girl is, that decides? "Straight from Paris," with a variety of sumptuous scenery and costume give the most convincing answer to this all-important question that a picture has yet presented.

A reissue of the D. W. Griffith two-reel sensation featuring Lillian Gish and May Marsh, "The Battle of Elderbush Gulch," will be shown in addition to a Pathe Review and Rolin comedy, "Till We Meet Again" (old) will be Madame Clement's special number on the organ. The same program holds over for tomorrow.

H. O. Knapp, Pasadena, Buys Barber Shop Here

H. O. Knapp, formerly of the Green hotel barber shop at Pasadena, has purchased the Tanek & Schweska shop here at 109 1/2 South Brand boulevard. He retains Perry F. Rentrow and Ed Moniot and adds J. R. Clapp to the force. It is understood that Mr. Tanek will purchase another shop in the San Fernando valley and Mr. Schweska will return to his former home in New Mexico.

Brand Boulevard Is On Broadway! What? Sure! Here's Reason

Brand boulevard's on Broadway this week. Sounds unreasonable, but it's a literal truth.

Jackie Coogan, starring "Peck's Bad Boy," is idolized by New York this week and at a Broadway theatre pictures of Brand boulevard shops in Glendale are shown as a large part of the film.

That's how Brand boulevard gets on Broadway while Jackie is rushing home to mother to recuperate from illness caused by being photographed 748 times, filmed for thousands of feet of news reels, star with Babe Ruth in opening the ball season, luncheon guest of Mrs. Vanderbilt, leader of the Biltmore orchestra, etc.

FREDERICK O'BRIEN WINS HONORS BY 'MYSTIC ISLES'

GLENDAL E AUTHOR IS GIVEN PROMINENT SPACE AMONG LATEST REVIEWS

Mrs. Frederick O'Brien, wife of the well-known author, residing at 501 South Pacific, Glendale, has just received clippings from eastern newspapers of prominence which deal with "Mystic Isles of the South Seas," her husband's latest book.

The New York Times devotes nearly a page to the volume, the review by Herbert S. Gorman being illustrated. The Baltimore Sun gives "Mystic Isles" about a column, the review being written by Jesse Lee Bennett. Other papers are also praising the newest work of the Glendale author.

Mr. O'Brien is now in the South Seas, having left on the ship Wisdom II, as told in The Evening News. Incidentally, published reports of a mutiny aboard the craft are denied in a cablegram received by C. B. Salsbury of Los Angeles, brother of Dr. Edward A. Salsbury, commander of the craft.

Immediately Discharged It is explained that the reports of mutiny arose from the fact that several members of the crew, "young college men," sought to "do" the South Seas in the old way with liquor figuring prominently and were immediately discharged by Dr. Salsbury and shipped home.

"My brother will not countenance any such wild actions on this trip. That was not its purpose," said the commander's brother. "According to other cablegrams, the voyage has been all plain sailing, with clear weather. A crew of natives was engaged to take place of the unruly members of the crew, who were discharged."

Remembrances of the "girl back home" must have proven too strong for Harry Marker, a youngster on the trip. Mr. Salsbury said the boy had been sent on the voyage by his father that he might forget a girl with whom he was in love. He lasted as long as he could, and now he is homeward bound.

New Book Highly Praised "O'Brien is unique among the vast number of travel writers today," writes Gorman in The New York Times, "because of his charm, his insouciance of description, his evident enthusiasm to the reader." The reviewer then goes on to say that "Mystic Isles" is really the first of a series of three books, one of which, "White Shadows," has already been published and "Atolls of the Sun" is yet to come.

"The new book may, indeed, find greater favor than the first," writes Bennett in The Baltimore Sun. "For it deals with Tahiti—with that Tahiti which all kinds and conditions of men and women have agreed is the true earthly paradise."

The reviewer declares the volume shows O'Brien to be a most interesting personality. "He is subtle and deep and of wide sympathies, broad culture and perfected savoir vivre," concludes the reviewer.

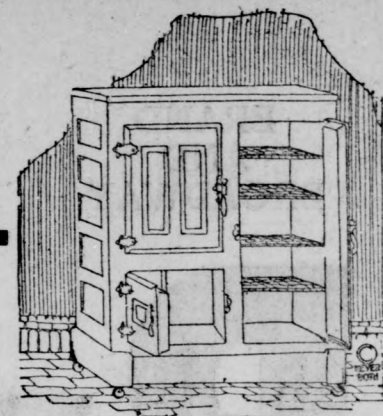

The Baltimore Sun declares that "For all its narrative quality O'Brien has chosen his material with an artistic sense of balance. 'Mystic Isles' has more human values than most fiction. In coming months it will bring joy to many weary people wherever books are read."

Mrs. O'Brien has received several communications from her husband since his departure for the South Seas and she states that the cruise is a success.

The prison population of the Middle and Southwestern United States decreased 12.4 per cent in the last six years. This falling off in prison population of this section is equivalent to more than the combined prisoners of Kansas, Iowa, Wisconsin and North and South Dakota in 1914.

By ordering her milliners to use no wild bird plumage on her hats, Queen Mary has bestowed the royal approval on the movement in England for the protection of plumage birds.

INTIMATE STORY OF HERBERT HOOVER TOLD IN BOOK

ROSE WILDER LARRE WRITES
INTERESTINGLY OF LIFE
OF NOTED CHARACTER

A number of new books were released at the Glendale public library branch, Charles H. Cushing in charge, on Saturday.

Herbert Hoover is considered by many one of the greatest and most successful men of this country at the present time, measured by standards of character and service.

It is therefore with special interest that "The Making of Herbert Hoover" by Rose Wilder Larre will be read.

It is an interpretation rather than a compilation of biographical facts. Starting with his early childhood she shows how the different elements of heredity, environment and education enter into the formation of his character.

"The United States in Our Own Times" by Hawthorn is a scholarly and well written history of our country from the close of the Civil War to 1920.

"Clothing, Choice, Care, Cost" by Mary S. Woolman is an intensely practical book full of valuable information. The following chapter headings will indicate its usefulness: "Clothing and Health," "Intelligent Shopping," "Serviceable Clothing," "Care, Repair and Renovation," "Dyeing, Laundry and Spot Removal."

"How to Use Cement for Concrete Construction" by H. C. Campbell gives detailed directions for making all kinds of things of this material.

Applied Electricity
"The Encyclopedia of Applied Electricity" published by the American Technical Society treats the following subjects:

Vol. 1—Elements of Electricity, Direct Current Dynamos and Motors, Storage Batteries.

Vol. 2—Alternating Current Machinery.

Vol. 3—Design of D. C. Dynamos, Small Motors and Transformers, Armature Winding.

Vol. 4—Meter Testing, Magnet Design, Controllers, Elevators, Signaling.

Vol. 5—Interior Electric Wiring, Underwriters' Requirements.

Vol. 6—Electric Lighting, Railway Car Lighting, Applied Electro Chemistry.

Vol. 7—Power Stations, Switchboards, Station Management, Welding.

Vol. 8—Power Transmission, Distribution, Railways, Index.

"Poor Man's Rock" by Bertrand W. Sinclair is an exciting story, bringing in the fish canneries near Vancouver Island.

Lovers of the "Old Chester" people will be glad of "An Old Chester Secret" by Margaret Deland.

The 1921 Los Angeles City Directory has just arrived and will supply a long felt want as the branch, on account of its location, serves as a general information bureau as well as library.

Juvenile Books

"Seven Peas in the Pod" by Margery Bailey, a collection of seven stories, one for each day of the week.

Kingsley's "Water-Babies" beautifully illustrated by Jessie Wilcox Smith.

"Wonder Tales of the World," a collection of folk stories of different countries retold by Constance Arnefield.

"Children's Plays" by Eleanor and Ada Skinner.

Page-Price Is Making Big Addition To Store

The Page-Price Furniture company of 306-308 East Broadway have started the construction of an addition to their large furniture store-room which will give them the largest ground floor space of any business establishment in the downtown section, it is believed. With the addition of 60 by 100 feet at the rear of their present 90 by 100 foot store, they will have 15,000 square feet of floor space for the large line of furniture, carpets, rugs, etc., which has placed Messrs. Page and Price in the first rank among local merchants since the first of the year.

Monarch Auto Supply Has Seasonable Display

Camping outfits, including trailers, tents, kitchen utensils and other accessories to "the call of the open road" are now on display at the Monarch Auto Supply company's store, 121 South Brand boulevard.

"I wish I had a vacation right now," was H. M. Butts' comment as he was arranging the goods in the same comfortable position one would find if he were in the mountains by the side of a cool trout stream.

The town of West Stockbridge, Massachusetts, is so healthful that no physician can be induced to settle there. The selectmen are raising a special purse for a physician who will agree to live in the town.
